

HEY MARY
(FORD)

Hey Mary it's a beautiful day
the wind is blowing the clouds away
Hey Mary can you come out ~~and~~^{to} play
it's been real lonely since my loves gone away

Hey Mary can you give a smile
I know I haven't ~~been~~^{come} around in a while
Hey Mary have I gone out of style
I really like to hold you but there's too many miles

Mary it's a beautiful day
Mary can you come out and play
Mary what can I say cause I'm leaving here today

Hey Mary can you understand
my heart's been heavy can you give me a hand
Hey Mary this is not what we planned
walking together in a wonderland

Hey Mary do you know where I've been
I'll try to come back but I don't know when
Hey Mary well I know it's a sin
Every time I close my eyes you know the world starts to spin

Mary it's a beautiful day
Mary can you come out and play
Mary what can I say cause I'm leaving here today
